Our memories of yesterday

Will last a lifetime

We'll take the best,

forget the rest

And someday we'll find

These are the best of times

OUR SENIORS YEAR

See what Physics will do to you!

Science must have read another dirty joke!

Girls, you're working too hard.

Who are you looking at?

Man, studying!

This Is Our Year

Kathy, you've got a great pair of legs!

Tenure tak hat dish cleaned!

Tami, why the black book?

Chug-elug! Chug-elug! Bored!

Rest in peace.

Gary, just posing!

On May 17, the Schaller High School Class of 1981 took the final steps toward the end of thirteen years together. Mrs. Linda Stille played "Pomp and Circumstance", and the Class of 1981 proceeded into the auditorium to make the graduation complete. The class sang "Out Here On My Own" from the movie "Fame", and then listened as Gary Pyle, Ellie Taylor, and Kelly Burhop reflected upon the past and gave outlooks toward the future. The honor students were introduced as were the valedictorian and salutatorian, Diane Wendel and Gary Pyle. As each student received their diploma, it signified a great accomplishment and an opening of new doors!

SHS Welcomes Mami & Martin

On August 22, Schaller welcomed Mami Udaka to the community. Mami is originally from Nahoga City, Japan and is residing in the Lyle Martin home while staying here. She has had a busy year taking Family Living, American Government, Algebra II, American Problems, Speech, Typing, Art, Choir and Girls Glee. Mami also was a basketball cheerleader. Her hobbies include bowling, fishing, cooking and listening to records. When asked why she wanted to come here, she commented, "to improve my English, and learn and experience American culture." Mami's memorable moments this year included cheerleading, singing, her solo at contests, and graduating with the senior class. She has enjoyed all the people she has met here and also likes the special activities such as Prom and Homecoming. Mami will be here until July 28, at which time she will go back to Japan where she plans to pursue a career in ground service at an airport. We wish her luck in the future and have enjoyed having her with us throughout the year.

Martin Edwards Mondaca Santiago arrived in Schaller on Sept. 28, from Chile where he has 3 brothers and 2 sisters. While staying here, he too is residing in the Lyle Martin home. This year Martin is studying American Government, American Problems, English, Speech, Algebra II, Shop, Typing, and World History. Martin's pastimes include learning to play the trumpet and piano, bowling, fishing, tennis, "cruising", and playing pinball. He also is on the track team this year. Martin wishes to improve his English and feels the foreign exchange student program will help world peace and understanding. His memorable moments this year include when he spent the day at Duff Brown's by Panora Lake, visiting the "witch's house", with friends, and taking a trip to California. Martin's future plans are to finish 2 ½ years of high school, then go to college to become a lawyer and be involved in politics. He leaves us with this thought: "Schaller is a friendly town and everyone is really nice to me. I'd like to thank all the people in the school especially my teachers for being so nice". We wish Martin the best of luck in the future and thank him for sharing this year with us

Mr. O'Meara-German I & II, American History, World History, Sociology, and Government. Mr. O'Meara told us that he liked teaching in Schaller because "in most instances teaching Schaller students is a challenging activity and most of our students come to school to learn."

Mr. Ober-Guidance Counselor, Psychology, Family Living. "Counseling is a helping occupation and every student that comes into my office is an individual, therefore, their problems are unique. Thus the job is constantly challenging."

Mr. Bisenius-Earth Science, Jr. High Basketball, Asst. Football Coach, Track Coach, Physical Education. Mr. Bisenius enjoys, "Watching kids grow up and develop into good people and know you might have contributed something to that person."

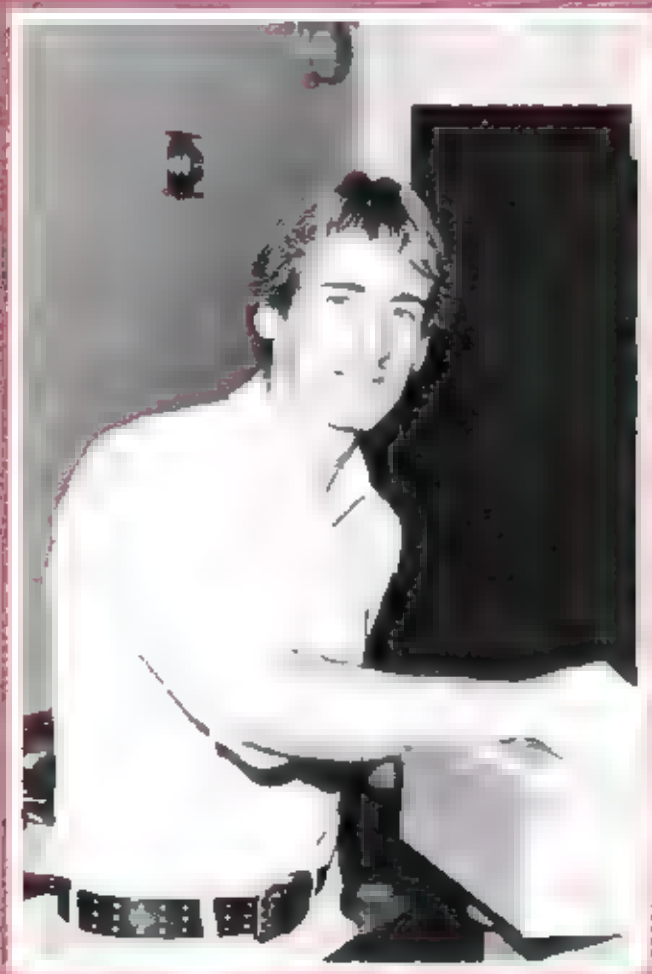

Mr. Ronfeldt-Adv. Topics, Chemistry, Physics, Electronics, Computer Science, Senior Class Sponsor. Mr. Ronfeldt reveals his most embarrassing moment as when, "Tracey told a joke in Physics just as Mr. Taylor walked in."

Mr. Leseth-English, American Literature, Adv. Composition, Speech, Junior Class Sponsor. The part of Mr. Leseth's job which he likes most is, "Working with students and watching them develop intellectually."

Miss Hardersen-Physical Education, Bookkeeping, High School Volleyball Coach, Junior High Basketball. Miss Hardersen's most memorable moment was "playing at the State Volleyball Tournament in Des Moines."

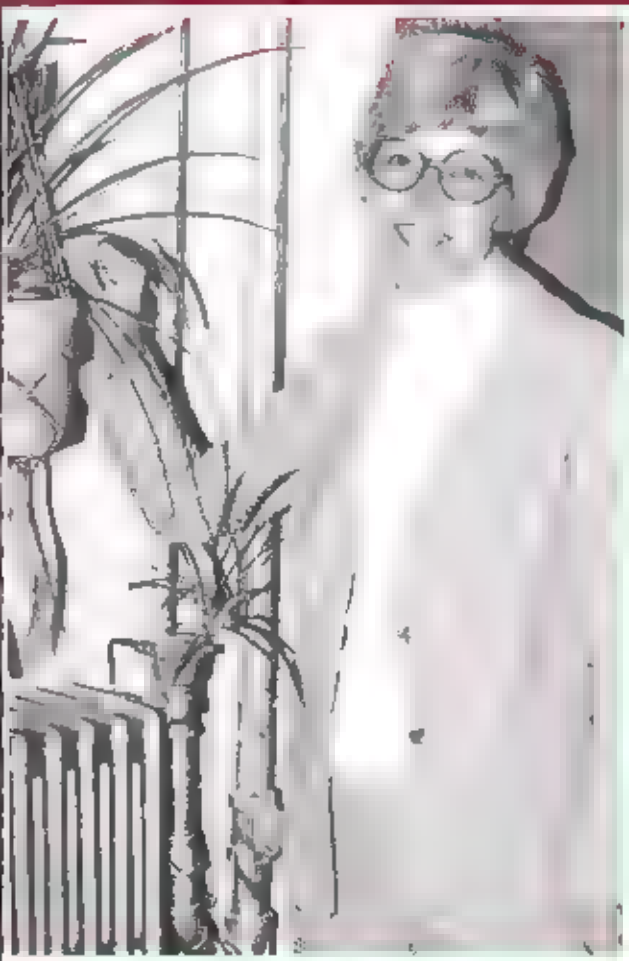

Ms. Zierke-Art. Ms. Zierke favors teaching in Schaller because, "You are able to help students on a one to one basis."

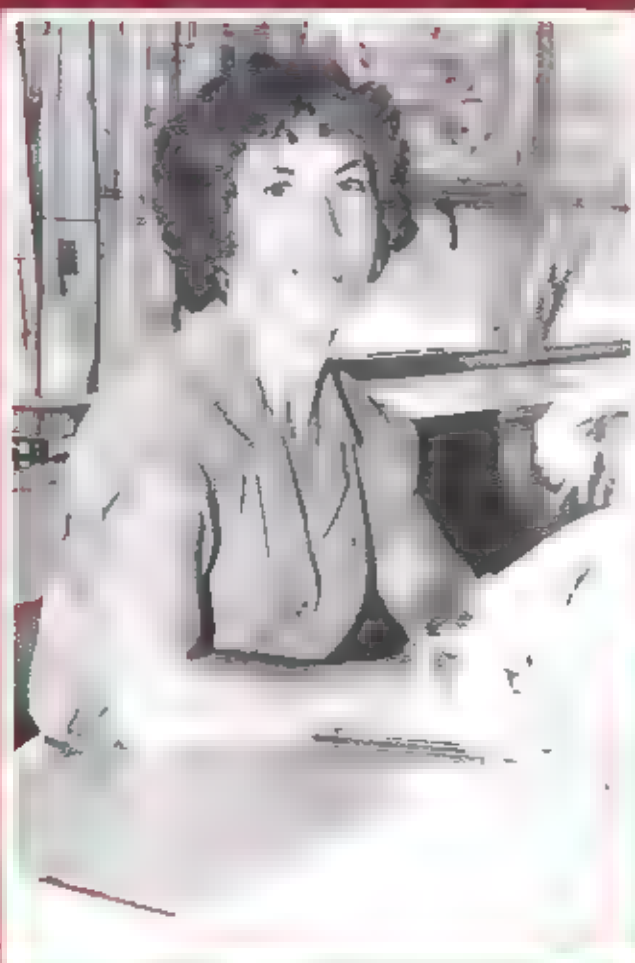

Mr. Hueschen-Band. Mr. Hueschen likes teaching at SHS because of "Attitude of students and atmosphere" very nice.

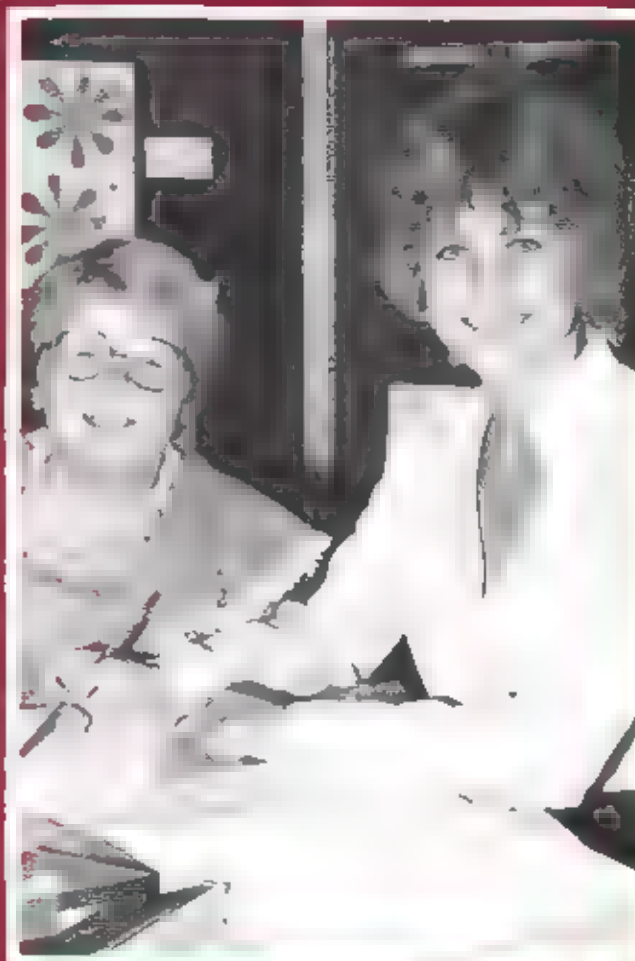

Mrs. Stille-Vocal Music, Music Theory. Mrs. Stille's most embarrassing moment happened when she was directing two versions of the school song at the same time at a basketball game when Mr. Hueschen was sick.

Mrs. Koeder-Learning Disabilities, Resource. "The most memorable moments occur when my students see the end result of alot of hard work. Nothing makes my day better." Mrs. Koeder received a Bachelor of Science and Masters of Education at East Texas State University.

Mrs. Taylor-7, 8, 9 English, Typing, Cheerleading Sponsor. "Having students whose parents care for them makes our job of teaching a real joy here in Schaller. Having colleagues who show respect for one another and have a sense of humor makes our job doubly enjoyable!"

Mrs. Johnson-Title I Reading, Jr. High Special Reading. A Valentine surprise from her 7th grade Reading students will always be a treasured moment for Mrs. Johnson from the 1980-81 school year. "I received a recognition from 5 very thoughtful students!"

OUR ACTIVITIES YEAR

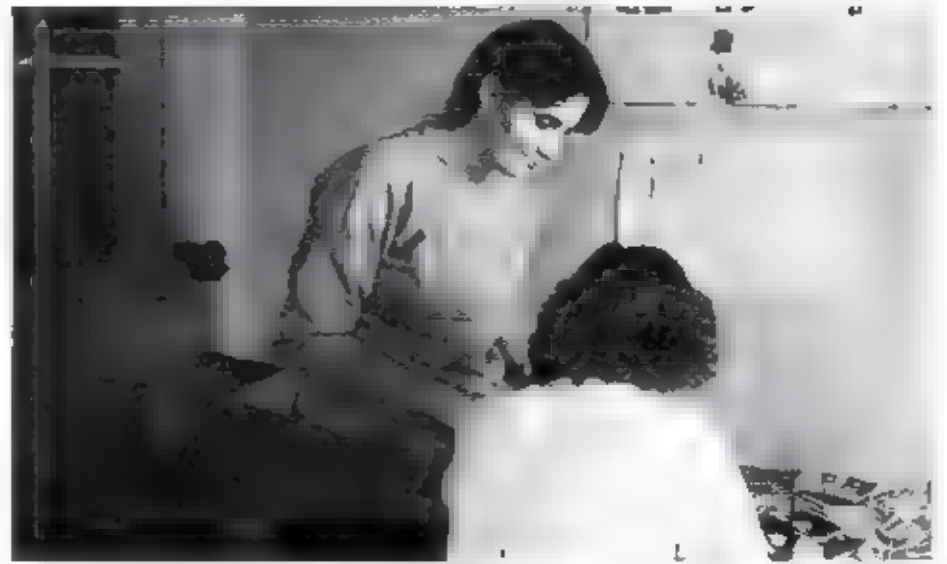

Annual Staff Creates 1981 Rocket

Barb and Sharon attended summer yearbook camp, learning new techniques to improve our annual. The entire annual staff attended a workshop at Buena Vista College finding new ways to develop the annual

The selling of annual ads was a project all annual staffers participated in. Raising money was also accomplished by basketball concessions, selling of shirts, magazine sales, and the selling of annuals.

Many hours of hard work are put into the making of a fine annual. Thanks to all who helped, and we hope you enjoy our annual!

Student Council

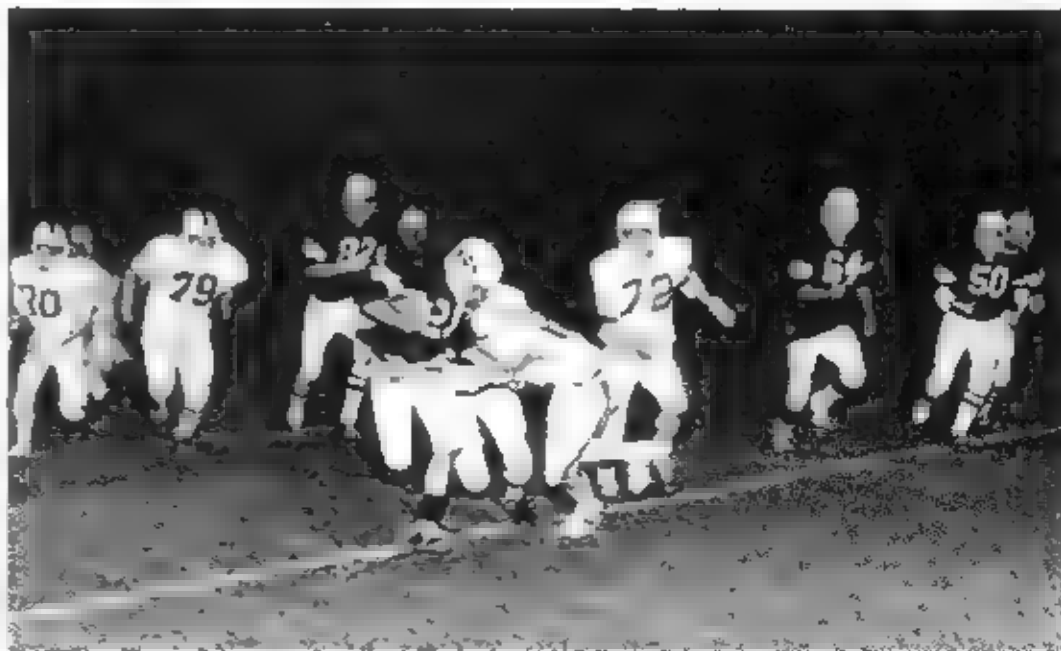

The elected Student Council sponsored activities this year making each a success. The Student Council's idea of having each class represented by a girl and a guy for Homecoming was carried over again this year. The Student Council built the float for the Royalty and sponsored the Homecoming dance. With the combining of schools being planned, many questions were aroused. These were answered with the help of questionnaires that the Student Council distributed. Many other ideas are being considered, and will hope to be achieved in following years.

HOMECOMING '86

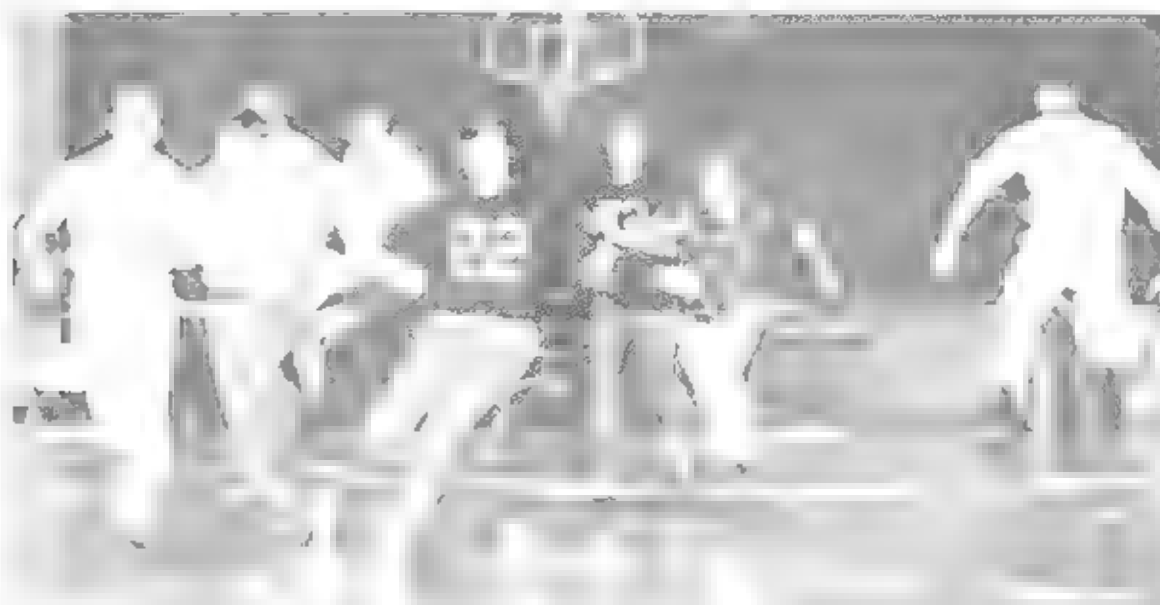

"Rocket Round-Up" was the theme of this year's Homecoming. Once again the cheerleaders featured "Spirit Week" which included "Black and Gold Day", "Clash Day," and "Cowboy Day" adding to the Homecoming celebration activities. The festivities began with the traditional snake dance and pep rally in the evening. We battled Meridan Cleghorn returning with a big 19 - 0 win, highlighting the Homecoming festivities. A dance followed the game featuring a disc jockey, which provided an entertaining evening for all!

"THE STORM"

Jeff Mulkey stands at his cabin window and peers out at the blizzard. Five years ago he was involved in an auto accident on a snow swept highway - an accident that took the lives of a mother and her daughter. Since then, each storm brings back to reality the mishap. That's why Jeff moved, with his wife Mary, to this cabin in the mountains, far away from people. Now, as the blizzard rages, there's a rap on the door. A man enters, says he was hunting and got lost. He tells them the story of a man who had a wife and daughter. They couldn't get along, so she took the child and left. Finally, she started back to him, had an accident in a snow storm and she and the daughter were killed. When the husband got word a couple of years later he swore revenge - said he'd get the man that did it if he had to track him across half the world. It slowly dawns on Jeff and Mary that they're trapped with the crazed husband

"THURSDAYS — AT HOME"

Mayabelle believes women should be kinder to agents and so sets aside Thursdays to receive them. She gives her grim housekeeper the day off, and the deluge begins: a fast talking seller of books; a woman peddling gaudy wax flowers; an agent with a broken sweeper and pamphlet on how to sell it; a determined lady demonstrating curlers; a woman who sells a powerful vacuum cleaner with the help of a still more powerful voice; and a photographer who's determined to take a picture of the harried Mayabelle, curlers, book, and all. The agents come but they won't go, and the fun gets funnier until the grim housekeeper strides in and settles things.

All-School Play

"THE REMARKABLE INCIDENT AT CARSON CORNERS"

There is no scenery. Except for a few chairs, there are no props. Late comers in the audience are invited to come up and sit on the stage, which they do. Their smiles broaden as the students start what appears to be a mock trial. A few months ago, a student fell to his death from the school fire escape — or perhaps he was pushed. The purpose of the mock trial is to fix the responsibility. Now the proceedings no longer seem funny. One revelation forces the next and soon the entire community finds itself involved: the doctor who didn't think the emergency call was serious; a druggist who moved the boy's body aggravating his injury; the politician who thought that appropriations for a safer school building could wait. Several vainly attempt to stop this mock trial, but it continues and tension builds. Then the father of the dead boy reveals that he, too, is responsible.

Annual Carnival

"Which one?"

The Letterclubs hosted a school carnival for the second year to help raise money for the weight machine. Many hours of hard work and planning were spent to help make this year's carnival a success. Each elementary student was given one free ticket to be used that night. This proved helpful, as many people attended. Some of the activities included the duck pond, dart throw, cake walk, raffle wheel, wet sponge throw, jelly bean throw, fortune telling, free throw contest, and the jail. The night was enjoyed by all who attended.

The 1981 Junior-Senior Prom was a big success! Long hours of hard work is credited for the beautifully decorated prom by the Juniors.

The servers carried out the theme "Sail On" by wearing sailor outfits. A delicious dinner was served to all, consisting of roast hog, salad, baked potato, and corn.

After dinner, the Master of Ceremonies, Mr. Bisenius, introduced our guest speaker, Mr. Phil Tokheim. His speech inspired us to "Sail On", and make our lives something special. We were also welcomed by Stuart Claussen, and a response was given by his brother, Spencer.

Many thanks to the Juniors from the Seniors for making this year's prom a memorable event!

On Tuesday, February 6, the SHS Swing Choir, Instrumentalists, and Mrs. Stille travelled to Pochanatas High School for the annual swing choir competition - Schaller was one of the nine schools in Class C. After weeks of rehearsal we felt ready to do our best. We performed three numbers: "Let Me Share My Music With You," "Both Sides Now", and "Theme from 'New York, New York'" (soloist Gary Pyle). We watched several more groups perform until finally the time came to announce Class C winners. Third place - second place - we didn't hear our name! Then "first place, Schaller!" It was a great feeling collecting the first place trophy - the culmination of many early morning hours of preparation.

Choir Performs

Once again the vocal music department demonstrated their fine musical abilities, and always gave their audiences a treat.

It was a busy year, each music group working to ready themselves for each concert and later contest. But the hard work paid off, providing for a delightful Girls Glee Tea, Christmas Concert, Pop's Concert, and other annual performances.

Small groups began to come together, and rehearsals meant early morning risings, and constant practicing. And at small group contest, many good ratings were given.

Next we prepared for large group contest, which required much hard work and determination. At contest we also received good ratings, rounding off a successful year of music.

The Swing Choir relaxes

It's Friday, November 7. The gym is filled with people and there is excitement in the air. As the lights dim, we hear "On top of old Smoky". The Swing Choir opens the 1980 Big Show singing "Let Me Share My Music With You". Songs, skits, and a slide show all center around the theme "Americana". Months of preparation led up to this night: 7:00 a.m. rehearsals, after-school painting and set-building, last minute trips for sound equipment, writing arrangements, coordinating the stage crew, sound crew, and light crew.

The show was divided into four parts-collage, Love American Style, Country Western, and an American Salute. Highlights were a visit from Johnny Carson's Carnak the Magnificent ("Trucknak"), circus clowns ("Send in the Clowns"), the "Gambler", the Jazz Band performing at intermission, the Hee-Haw skit, the little people, the song "Still", "Everybody Hears a Different Drummer" performed by the Swing Choir with strobe lights, and the slide show on America, "American Trilogy", accompanied by Swing Choir. It was a great evening of entertainment and a great success.

OUR SPORTS YEAR

Rockettes Make It To Districts

Under a new coach, Lori Gries, the girls softball team ended with an 11-8 record. The highlight of the year was defeating Storm Lake 15-5 after losing earlier in the season by a score of 9-10. The Rockettes again beat them in the Sectional tournament 7-2 to earn their way to the Sectional finals. They played a tough St. Mary's team and lost 0-2 but advanced to Districts in spite of the loss. Here they were defeated by the state qualifying team of Albert City-Truesdale in the 1st round. In losing only one senior, Deb Wendel, there are hopes for a better season next year. Four girls were selected to the All-conference team these being, Deb Wendel, Tracey VanBuskirk, Diane Wendel, and Nita Skou. Deb and Nita also gained all area honors. With a strong nucleus the girls should be very competitive in the years to come.

The 1980 Schaller Rocket baseball team was a very successful one as they ended the season with a 13-5 record. That record was good enough for a Bo-Coon Conference championship and a perfect 8-0 conference season. That record also boasts a state sectional win. Schaller also placed several players on the All-conference team: Dale Wiese, Mike O'Meara, Randy Manteufel — 1st team; Mitch Wilde, Doug Ayers — 2nd team; Kelly Burhop — honorable mention. With many young Rockets gaining experience and in losing only two seniors, the boys will set out next year to defend their conference title.

All the way

When the volleyball program was started at Schaller nobody ever imagined that in only four short years we would produce a state qualifying team but we did. Practices started a week before school and at this time a goal was set. This goal was to reach the state tournament after failing one match short for the last two years. Hard work paid off and the girls lost only two matches during the regular season. These losses were both to Newell, which cost us the conference title. The Rockettes were also entered in the Lytton Tournament which they won. Taking one match at a time, the girls became Sectional champs and had earned their way into Districts. With a lot of teamwork and crowd support the girls defeated Storm Lake in 3 games to become District champs and gained a berth in the State Tournament. The Rockettes had a tough time at State being matched against the number one team in the state. Even though they didn't win any games, the experience is one they will never forget. We will be losing 3 seniors, Tracey Van Buskirk, Jonie Waters, and Diane Wendel, but have many underclassmen with experience. Post season all conference honors went to Tracey VanBuskirk, Jonie Waters, Diane Wendel, Kathy Brenner, Brenda Kenny, and Sandy Manteufel. Tracey, Jonie, and Sandy also gained state honors.

Jr. Varsity . . . Looking Good

The Jr. Varsity volleyball is looking good for the future by finishing the season with a 9-2 record. The J.V. are carrying on the tradition of Schaller volleyball with wins in all conference matches except one. These girls show promise for the future and will be the nucleus of the varsity in years to come.

The J V gave much needed support to the varsity and rode the bus to cheer them on at State.

Cheerleaders Create School Spirit

This year the cheerleaders were kept busy planning several pep rallies and cheering at many games. The highlight this fall for the football cheerleaders was participating in the KAYL Cheerleading Contest. They received a \$50 first place award for the most original cheer and most spirit. The basketball cheerleaders had an exciting season cheering both girls and boys teams past sectionals.

The Schaller Rockets posted a 6-3 record in the Bo-Coon Conference football race during the 1980 football season. They ended up second in the conference with Wall Lake, Newell, and Crestland all tying for first.

This year was a special year for head coach Jim Taylor. He has been coaching for twenty-five years, eight of those while in Schaller. During his coaching career he has accumulated 150 wins. It came about after the victory over Battle Creek this season. To celebrate this achievement there was a pep rally held in his honor. He received plaques, a trophy, autographed football from the football team, and to top it off two lovely decorated cakes made in the shape of a football field and football. We're sure Mr. Taylor will always remember this day and we hope he will be a sharer of another 150 wins.

But Look To The Future

Tim Taylor was the seasons **Most Valuable Wrestler**. Tim erased the record book in four spots. He bettered John Breuklander's 29 takedowns with 35, he bettered Chuck Foell's 25 near falls by one for 26, he bettered a three way tie of 11 falls with 18 and he gained Brad Tuels 21-4 season record with a 22-3 record. Tim won the Unlimited Title at sectionals and went on to place 3rd at districts. He missed going to state by one place but he will have another try in his senior year and we wish him good luck for another winning season

Front row-Dan Currie, Marshal Wilde, Dan Carberg, Gary Snyder, Ryan Hansen. Second row-Kevin King, Jeff Naslund, Tim Taylor, Kevin Stevenson. Third row-Coach Hantsbarger, Paul McDermott, Grant Currie, Gary Meyer, Coach Christianson

Schaller's 1980-81 Rockettes finished their basketball season with 11 wins and 10 losses. The memories of this team will long be remembered.

For nearly five weeks of mid season the girls played without a single victory. They entered sectionals with 9 losses on their record. The Rockettes then upset four teams before losing to state qualifier Remsen-Union by one point in overtime of semi-finals.

In the end, the Rockettes were sectionals champions and one of the top sixteen 1 A teams in the state!

Next year's Rockettes will be without senior guards Ann Crawford and Rita Tokheim, and forward Tracey VanBuskirk. Their presence will be missed; however they left Schaller pride for future teams to carry on.

Rockets End Season

The 1980-81 Schaller Rockets had a very good season with the record of 20-4. They set three preseason goals, first to win conference, second to win the Conference Tournament, and then to go to State. The Rockets lost their first conference game of the season to Wall Lake, so they finished second in the conference. At the Conference Tournament they revenged the earlier loss to Wall Lake and beat them in semifinals. The next night they lost to Pomeroy in the championship game.

Sectional play came around and the Rockets blew out a Battle Creek team then met up with Galva-Holstein. The Rockets trailed the whole game but came out on top in the end. Schaller then went on to win Sectionals by defeating Crestland of Early. In District play again the Rockets trailed the whole game by about eight points, but they didn't quit and with a few minutes left, Danny Manteufel put the Rockets ahead for good. In the District finals Schaller took Woodbury Central to advance them to substate. The Rockets led the whole game till the fourth quarter and again ended up on the short end.

The boys did fall short in all three of their goals but had one of the most successful seasons on record at Schaller High.

Post season awards went Dale Wiese who was named 1st Team All-Conference, 1st Team All-Area, and honorable mention Northwest Iowa. Randy Manteufel was named 3rd Team All-Conference, 2nd Team All Area, Kelly Burhop was named 3rd Team All-Conference. Danny Manteufel was named honorable mention All-Area

Rockettes Have Impressive Year

Being few in numbers didn't stop the girls track team as they broke numerous school records. These include the 400 meter relay with a time of 54.16 and the sprint medley with a time of 1.57.0. Both of these records are held by the combination of Deb Grieme, Rita Tokheim, Sandi Tokheim, and Tracey VanBuskirk. School records were also set in the field events where Diane Wendel broke her old discus record she set last year with a throw of 117'10". Mary Jo Naberhaus also set a record in the shot put with a throw of 39'3". Both Diane and Mary Jo competed at the state track meet in Des Moines where Mary Jo placed 4th.

Rockets Build For The Future

The boys track team had tripled in numbers this year going from 8 of last year's "Fabulous Few" to 24 members. The boys lacked experience but were competitive in some races. However, in losing only two performers, the team could have an interesting season next year. Doug Ayers was the only representative of the team at the state meet this year. He won the discus at districts with a throw of 130'9" which qualified him for state where he failed to place. In being only a junior, Doug will have another shot at state next year.
